DARMEX Company is a well-known and respected manufacturer of high quality aluminum and PVC doors and windows. Since 1996 we have been operating on the Polish market and since 2003 we have been successfully exporting our products to Germany, Austria and the Netherlands. Almost 80% of DARMEX's products are sent abroad.

Our primary products are exterior, custom-made aluminum doors. They are solid, modern and of various designs. Their accessories will satisfy even the most demanding customers and their thermal and acoustic insulation is of the best kind.
