Toolmaking company Metalton is a family business, founded in 1999. We have more than 15 years of experience in metalworking.

We started as „Przedsiębiorstwo Produkcyjno-Handlowo-Usługowe METALTON Spółka Cywilna” - brass foundry and toolshop. In 2004 we bought „Habo Polska Sp. z o.o.”, daughter-company of swedish company „Habo”, renamed it to „BRASS Polska Sp. zo.o.”. Metalton renamed to „Metalton sp.j” focused in design and production of press tools and die moulds, Brass became a non-ferrous die casting foundry.

In 2010 Metalton Implemented quality system ISO 9001:2008.

Now, Metalton team has 55 highly skilled and educated employees. We have modern machine park with huge capacity and R&D team working on well known CAD/CAM systems

Our Quality Control Team is responsible for quality of all our products and services on every production step and after completing product, what assures fully compliant products.
