WOLCO Sp. z o.o. is currently the only manufacturer of copper coated steel wire for collated nails ( $\varnothing$  0,60 mm;  $\varnothing$  0,68 mm;  $\varnothing$  0,70 mm;  $\varnothing$  0,71 mm,  $\varnothing$  0,75 mm;  $\varnothing$  0,80 mm) and brass wire for EDM process ( $\varnothing$  0,20 mm;  $\varnothing$  0,25 mm) in Poland. We also produce steel wire coated in other metals (Cu, Ni, Zn, Sn, Ag) in the diameters  $\varnothing$  0,30 mm -  $\varnothing$  2,00 mm. Furthermore, we offer brass and copper wire with diameters ranging from  $\varnothing$  0,15 mm -  $\varnothing$  1,38 mm.

The company employs in their two locations un Lublin and Lubartów specialists in manufacturing and testing wire made of steel and non-ferrous metals. We have our own Research and Development Center.

For innovative solutions, we have been awarded both nationally and internationally. We received an award in the competition for the *Business Award of the Mayor of Lublin* in the category *Innovation*.
